

At **Vance Street Capital**, our mission is to partner with entrepreneurs and managers who excel at solving customer challenges and support these managers as they scale their businesses. **We have deployed more than \$1B*** in companies providing highly engineered solutions and mission critical products within the medical, life science, industrial, and aerospace & defense sectors. Our Partners have been investing together for **more than 20 years**, and having stood in the shoes of the entrepreneurs, we understand the time and effort it takes to build a business the right way, with integrity and a long-term focus.

MEDICAL TECHNOLOGY

Leading medical manufactures and end device companies supplying critical components and products to the interventional market.

INDUSTRIAL TECHNOLOGY

Highly engineered, technology-enabled, mission critical components and products serving highly regulated industries.

LIFE SCIENCE

Niche suppliers and service providers within the life sciences, laboratory tools and services, diagnostics, testing and consumables markets.

AEROSPACE & DEFENSE

Engineered components, niche MRO service providers, defense electronics, and unmanned technology companies.

ACTIVE PORTFOLIO	ACQUISITION YEAR	SECTOR	BUSINESS DESCRIPTION	ADD-ONS
	2021	Med Tech	Manufactures precision micro molded parts for the medical device and life sciences industries	
	2021	Industrial Tech	Leading designer and manufacturer of accessible pedestrian signals and ADA-compliant pedestrian technology	
	2021	Aerospace	Leading designer and manufacturer of aftermarket PMA parts for the general aviation industry	
	2021	Defense	Diversified designer and manufacturer of highly engineered avionics and electronics solutions for the aerospace and defense technology market	
	2020	Life Science	Manufacturer of proprietary single-use microplate sealing films and foils used in life science research, testing laboratories, biotech companies, pharmaceutical companies and diagnostic providers	
	2020	Med Tech	Leading manufacturer of specialty core wires, precision ground and straightened wires, and hypotube-based components for a wide range of advanced guidewires and delivery systems utilized in interventional procedures	
	2019	Aerospace	Provider of specialist aviation services that ensure regulatory compliance for international airlines, private operators and aviation leasing companies across the globe	
	2019	MedTech	Provider of specialty PTFE coated wires and other metal-based components going into medical device industry, with a primary focus on the advanced catheter marker	
	2018	Aerospace	Designer of proprietary aftermarket replacement components, PMA parts and complementary proprietary component repair services, and DER repairs	 AEROSPARES
	2017	Med Tech	Provider of advanced medical catheter components specializing in designing and manufacturing high pressure braided tubing, extrusions and assembly/molding for the cardiovascular device market	
	2017	Industrial Tech	Designer and manufacturer of highly-engineered geotechnical instrumentation and data systems for applications where structural integrity is paramount	 SYSCOM 3vGEOMATICS
	2016	Med Tech	Manufacturer of wire based micro-components and sub-assemblies, which are frequently found in micro-catheters, pacemakers, neuromodulation devices and in various other industrial and A&D applications	
	2013	Industrial Tech	Global provider of aftermarket and OEM filtration equipment and consumables for use in mining, chemical, wastewater and various other industrial end markets	 SOUTHERN FILTER MEDIA C.P. ENVIRONMENTAL UNITED PROCESS CONTROL, INC.
	2012	Aerospace	Provider of services to the aviation industry including aircraft painting, refurbishment and graphics
